1 Welcome from our President

On behalf of all of the committee, I would like to welcome you to our foundation season with the Redland City Redbacks. We have already seen a significant interest in players for this season, across all age groups, and are all really excited to see this club grow and nurture the fantastic community spirit that has already begun to shine.

It is not only the foundation season for the club, it is the foundation season for our club committee. We have been working tirelessly to get the club up and running and will continue to try and make this season an amazing experience for all involved. I am sure that this season will bring (and it already has!) an abundance of opportunities, accomplishments and I am sure a few challenges along the way. Your support within the club is vital for a successful season and we would appreciate any parent/guardian/player to assist with the season operations where you can.

During the season, we will have the bulk of our information communicated through our Facebook page, website and email. If you have any questions or concerns, please do not hesitate to contact one of committee members.

We look forward to a great 2020 season and I will hopefully be able to share a snag or two with you all at our weekend games.

Tim Lovett

7 Code of Conduct

Redland City FC places great importance on good behaviour both on and off the field. While good behaviour is basically a matter of common sense for both players and spectators, the Club's Code of Conduct for players and parents has been included in this kit for further guidance.

Breaches of the Code of Conduct can lead to the Club taking disciplinary action against members

PLEASE REMEMBER

- These are kids
- This is a game
- Parents and Spectators should cheer for everyone
- The referees and umpires are human

Players

- I will always play by the rules.
- I will never argue with an official. If I disagree with a decision, I will inform the captain, coach or team manager during a break or after the game.
- I will control my temper; I understand that verbal abuse of officials and sledging other players and deliberately distracting or provoking an opponent are not acceptable or permitted behaviours in any sport.
- I will work equally hard for myself and/or my team
- I will be a good sport and applaud all good plays whether they are made by my team or the opposition.
- I will treat all players in my sport as I like to be treated, I will not bully or take unfair advantage of another competitor.
- I will cooperate with my coach, team members and opponents.
- I will display modesty in victory and graciousness in defeat.
- I will not arrive at the field intoxicated or drink alcohol at any matches.
- I will respect the rights, dignity and worth of all people involved in the game, regardless of their gender, ability, cultural background.
- I will thank the opposition and officials at the end of the game.

Parents/Carers

- I won't pressure my child in any way – I know that this is their game not mine.
- I will not use bad language, nor will I harass players, coaches, officials or other spectators.
- I will encourage my child to respect the efforts of their opponents.
- I will remember that children learn best by example so I will applaud good plays/performance by both my child's team and their opponents.
- I will give positive comments that motivate and encourage continued effort.
- I will focus on my child's and their teams efforts and performance – not the score.

- I will thank the coaches, officials and other volunteers who give up their time to conduct the event for my child.
- I will volunteer my services and help when asked by a coach or official.
- I won't criticise or ridicule my child's performance after the game – I realise that good fun is more important than a good win.
- I will not arrive at the field intoxicated or drink alcohol at junior matches.
- I will respect the rights, dignity and worth of all people involved in the game, regardless of their gender, ability, cultural background.

Spectators

- Remember that young people participate for their enjoyment and benefit, not yours.
- Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the game's outcome.
- Respect the decisions of officials and teach junior players to do the same.
- Never ridicule or scold a player for making a mistake. Positive comments are motivational.
- Condemn the use of violence in any form, whether it is by spectators, coaches, officials or players
- Show respect for your team's opponents. Without them there would be no game.
- Encourage players to follow the rules and the official's decisions
- Do not use foul language, sledge or harass players, coaches or officials.
- Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.
